

FALL/WINTER HAPPENINGS

MONDAYS: Art & Homework Help

For anyone who wants to get artistic, Monday is your day! We will work on our skills and learn new techniques, as well as try out various art mediums. Anytime the weather is nice, we will go outside for sports. On the messy, chilly days, we will stay warm inside and work on crafts, using materials such as Model Magic, Duct tape, origami paper, etc. There will be time for homework help each week, too. We hope you'll join us on Mondays!

BEFORE

AFTER

WEDNESDAYS: Debate & Homework Help

If you enjoy or want to improve with speaking and listening, come join us on Wednesdays! We will discuss important topics and argue nicely during our debates. When the weather is pleasant, we will also enjoy sports outdoors. If it is too cold, we will come inside to analyze and sing some of your favorite songs! There will also be time for homework help each week. See you there!

FRIDAYS: Photography & Technology Skills

Do you enjoy taking pictures and sharing them on Facebook, Instagram and/or Snapchat? Are you interested in learning more about photo editing and graphic design? If that sounds like fun, Fridays are for you! We will take pictures, as well as use photos we already have...and then we will learn how to edit those pics from both the computer and phone using an awesome app called Pixlr! You will be able to fix the lighting and clarity of photos, add text, use artistic filters, and so much more! There are a few **examples** from Miss Gaiser to the left to give you ideas. We will play sports, too, when the weather is good, or do some exercise or dance inside!

General Information

Transportation and snack provided!
After school until 6:00 (High School & Fridays) or 7:00 (6th-8th Grade)
