Language group: reviewing words in Hakha, Mandarin, Spanish, Tedim, German, Mizo, and Haiphai

Languages, Cultures, & Homework Help

Art & Homework Help

Mondays: Whether you're an artist already or want to try drawing and painting for the first time, you're welcome to join us on Mondays! Artists of all levels will have guidance as they create projects with different mediums of art, and we will work on crafts sometimes, too. Additionally, we will take time each week for homework help and another fun activity, such as sports or games. We hope to see you there!

Snack & Dinner Provided Every Mon./Wed./Fri.
Transportation May Be Provided for Students
(Depending on Timing & Location)

Wednesdays: Want to learn skills that will make your brain smarter and help you meet new friends? ¡Vámonos, amigos! We will learn useful words in different languages and then play games to review. We will also share special aspects of our cultures like dances, food, and games; provide help with homework each week; and play sports in good weather!

Art group: oil paintings with special meanings, representing students' dreams and goals for 2019

Piano: Mrs. Gaisser has taught piano for almost 20 years!

Piano, Drums, & Sports

Fridays: Do you love music? Are you interested in learning how to play the piano? Come join us on Fridays to learn basic piano skills on a digital keyboard! Mrs. Gaisser will work with students in small groups, and each group will rotate every week between playing the piano, learning about music theory, and drumming to their favorite songs! Beginning and intermediate pianists are welcome! Mrs. Gaisser will group students together with other pianists around their level, so that they have opportunities to challenge themselves to move ahead, as well as receive the support they need. On days with nice weather, we will also play sports!

Mondays/Wednesdays:
after school until 6:00 (SHS) or 7:00 (students from other schools)

Fridays: after school until 7:00 for all students

Piano: practicing in small groups
